

DERIAN KOEKEMOER SAFARIS

THE "ALL YOU NEED TO KNOW" GUIDE

Welcome to our camp. This is your first look into what you can expect when visiting us..

Accommodation and meals are just as important as the hunting you will do on this trip and forms part of the whole feel of your safari.

Let's introduce you to our most popular camp.

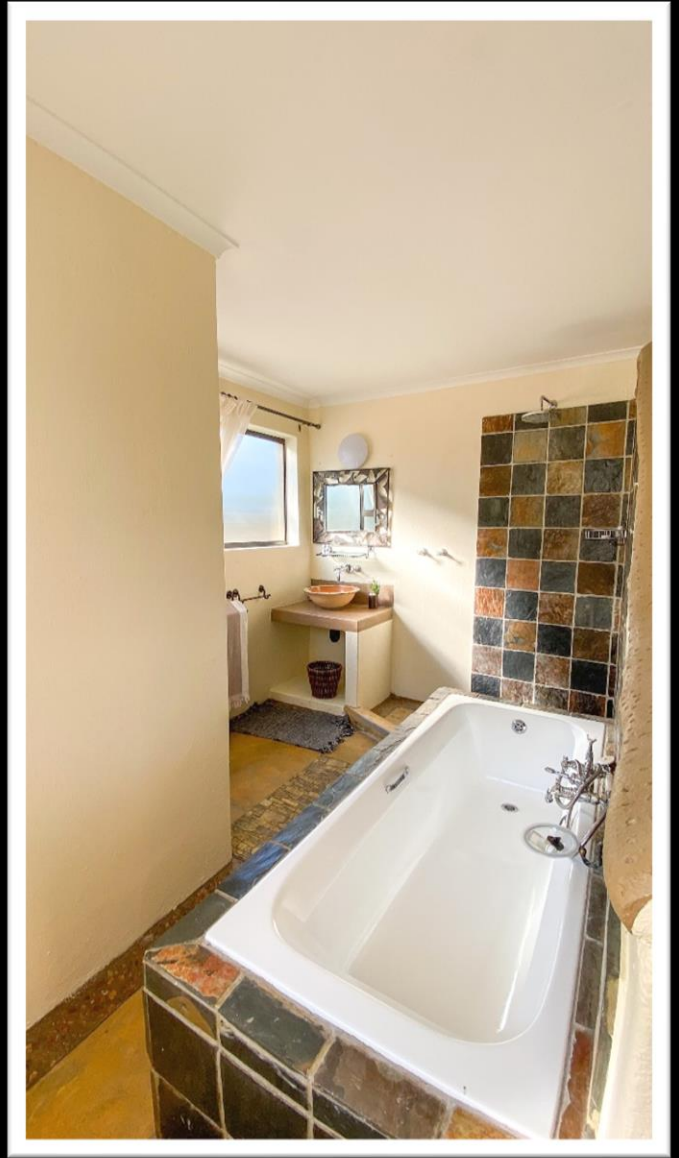

Why do other hunters pick this option?

-Comfortable but still feels like you are deep in Africa.

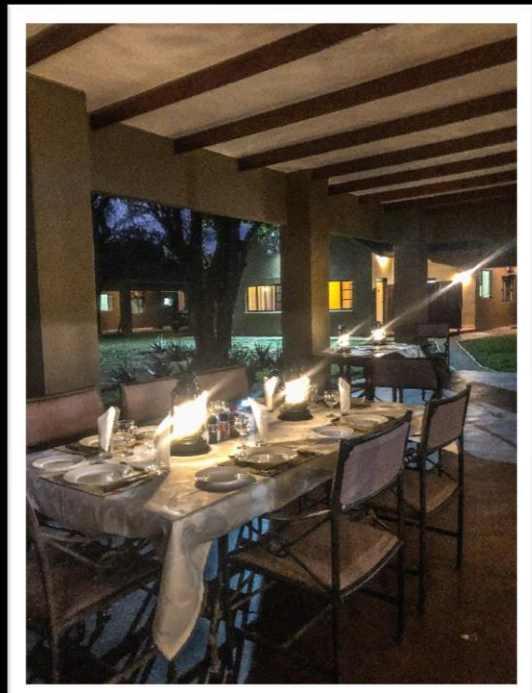

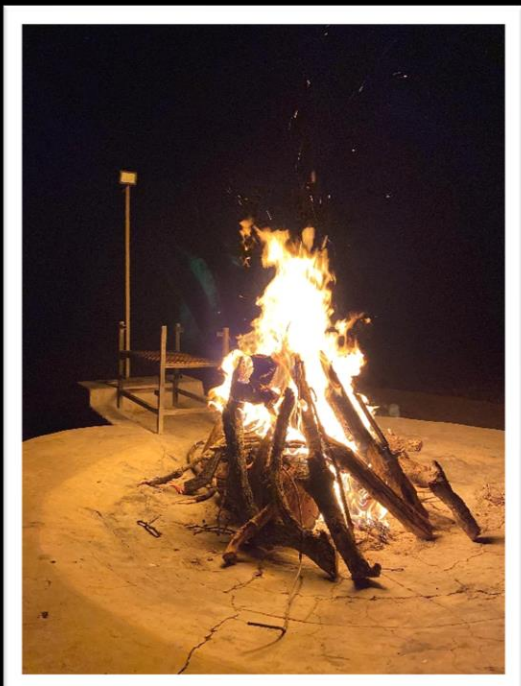

The hunting camp consist of 8 en-suite rooms, each with their own small kitchen. But that will not be needed because all your meals will be cooked with love by our chef and served in the dining room or outside under the African sky.

All rooms are air-conditioned and have everything you will need and more.

The layout of the camp is perfectly structured to have privacy at your unit, and to be close enough to the entertainment area.

Hunting day or just some sightseeing, know that you will get back to a lit camp fire and some home cooked meals.

Why choose Derian Koekemoer Safaris?

- Our team is one you will not forget. From our Outfitter to our camp staff, your needs will be taken care of and you will feel safe.

What can observers, non-hunting guests expect?

- We are situated in a beautiful part of the Lowveld that offers a lot of extra activities. Hot air balloon rides, boat trips on the worlds larges green canyon, spa treatments, quad bike rides, shopping trips at local shops or feeding elephants, we have it all.

Why the Lowveld?

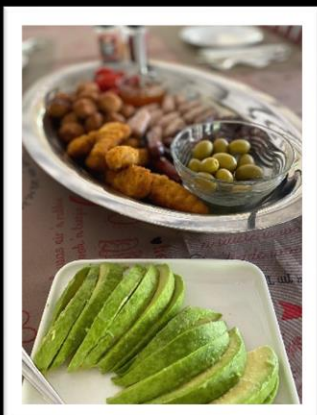

- With the Kruger National Park's nearest gate just a 40 minute drive away, you will be in one of the bests spots in South Africa. Lions roaring at night and beautiful nature scenes all around you, you will need more than just one memory card for your camera to capture it all.

And Taxidermist?

- We handle all your trophies with the best care until the taxidermist of your choice, or one of our recommended taxidermists arrange for trophy pick up.

What do we bring?

- Appropriate hunting gear
- Sunscreen
- Personal medication
- Lots of campfire stories

How do we get there?

- Your flight to South Africa will be to Cape Town International Airport or OR Tambo International Airport in Johannesburg. From there you can fly directly to Eastgate Airport in Hoedspruit.

We will meet you there and then it's only a 20 minute drive to the hunting area.

For any other questions, please don't hesitate to contact us.

Now go book your flights!

See you soon!

Regards

Derian Koekemoer
